## *Reflections from Pastor Jen*

A wise friend said to me today, "I don't mind change, as long it's MY idea for it." That pretty much sums things up right now, doesn't it? Especially since March, when we were hit with a pandemic, we've had so many changes in our lives that we've lost count. Not changes that any of us chose either. These changes have all been imposed upon us – to keep us safe and healthy, to protect others, to slow down the spread, and so on. But still, we have had to change our routines and lives without our permission, and no one likes that!

So what do we do about it, these changes that have been enforced upon our lives? I suppose we can rebel and refuse to follow some of the changes. We can complain and lament and grieve over how things aren't like they used to be.

But wait – that same wise friend also said that in times like these, we need to do two things. The first one is to **lament**. To express our grief and sorrow that things are not like they used to be. Maybe we can share stories about happier days and good times. And after we talk about it, to go to step number two – to **accept that things are never going to be the way they were**. Easy to say. Very hard to do.

As this world continues to change on a regular basis, without consulting with us, what can we depend upon? Whom can we trust? Even the church has changed. But the good news, the best news, is that we have a God who can be counted on to always be there for us. **God is faithful and trustworthy** and God's love for us is neverending and unconditional.

As we lament and accept, let's stay **open to the new possibilities**. Let's pray for God to show us new ways to be the church in this community. Because as we reach out to others and serve them in God's name, we will find a new sense of peace and hope, and a vision for a future. Take courage and do lose grow weary in well-doing. In everything give thanks, for God is with us.

*Blessings, prayers, and love to all,*

*Pastor Jennifer*

## COVID and Re-Opening the Sanctuary

The Session and the COVID-19 Task Force had hoped to be able to hold worship services in the sanctuary beginning on Sun. Sept. 13. However the number of cases in Crawford County has risen above our baseline of less than 50 positive cases for 2 weeks for indoor worship. We haven't been under 50 since Aug. 19 and are currently in the 70s. The Task Force meets again on Mon. Sept. 14 to re-evaluate the current situation and make a recommendation to Session at the Sept. 17 meeting. We'll keep you posted.

**SESSION**

Next Meeting: Thurs., Sept. 24 @ 7PM

The Elders met via Zoom on Thursday August 27, 2020 at 7:00 p.m. Rev. Jennifer Olson served as moderator. The Session voted to approved the recommendations of the COVID-19 Task Force as follows: continue with our Saturday live service outside at the church as weather is reasonable; to continue with our Zoom services on Sunday mornings; to have Elders keep Pastor Jennifer aware of any positive cases of COVID known of our church members or those attending services or activities at our church; to put on hold plans for returning to worship inside the sanctuary or Fellowship Hall; to continue to be a hub for the distribution of food, allow TOPS to return when the congregation returns, and to approve use for all other outside groups on a case by case basis; and to have Office Administrator Barb Kessel continue to work remotely until September 14 for all but one day per week.

Eric Olson reported on the Deacons project for collection of food for TAP. The process for collecting the food by leaving it in the bench outside the church is going very well.

Shar Hulstein reported that the Mission Committee project for September is collecting items for TAP (Temporary Assistance Program). All food and non-food items will be accepted. Session approved Communion to be served at the Lawn Chair Church service on Saturday September 5, 2020.

Eric Olson reported on the HungerFighters food distribution held at the church on Tuesday August 25<sup>th</sup>. While the turnout wasn't as large as expected due, the flow of the distribution worked very well. There were many volunteers from all over our community. He spoke of possible changes that could be implemented and future plans for promoting the program. The next food drive will be Tuesday September 15, 2020.

**When you get to your wit's end,  
You'll find God lives there.**

**Join us each week on Zoom for

**9:30 – 10:15 am**

We have chats every Thursday from 9:30-10:15 am.

Everyone is welcome! You can log onto Zoom with a computer, tablet, or smartphone. The Zoom link will be emailed out on Thursday mornings.

## DEACONS

The Deacons met by Zoom on August 4, 2020. Joyce Bohnker gave devotions based on Ecclesiastes 3, "A Time for Everything." Minutes from several past deacon meetings were approved. Congregational care updates were given and discussed, statistics were turned in. Prayers for church members and friends continue faithfully.

Deacons collected spaghetti and sauce for the first half of August. Thirty boxes of spaghetti and 30 containers of sauce were taken to TAP on August 14th. Boxes of cereal are being collected through August and will be taken to TAP on August 31st. Because the Mission Committee will be collecting items for TAP during the month of September, Deacons will collect face masks during September to take to the School.

Deacons will be meeting by ZOOM on September 8, 2020 rather than on September 1, 2020.

Take care and stay safe.

Mary Ann Irwin, Moderator

## We are Starting a New Ministry!

At our last Session meeting, it was unanimously approved to be the distribution site for the Crawford Cares-Hunger Fighters food distribution! We are very excited about this ministry. Since the pandemic, this community project has given out food from the Siouxland Food Bank every 2-3 weeks. Volunteers to help unload the trucks, set up and pack the food, distribute it, deliver, etc. come from the community. It is expected that the first distribution from UPC will be toward the end of August.

Contact Eric Olson 712-269-4597 or [oleolson09@gmail.com](mailto:oleolson09@gmail.com) or Pastor Jenn if you want to be a part of this important and much-needed ministry!

## FACE MASKS

The Board of Deacons for UPC continue their ministry of giving and outreach for our community. For the entire month of September, we are encouraging all of our congregation to **help us support our schools** this fall/winter by providing additional and **much needed face masks of all kinds for students and teachers.**

We have assessed the needs are great, with students and teachers required to wear masks daily. We all know that constant mask-wearing means needing multiple masks. Many families don't have the resources to purchase multiple masks so they often are used over and over without proper cleaning.

Let's make a big effort **to make or purchase masks that we can give to the schools.**

Masks can be dropped off at the church during the Lawn Chair Church service on Sat. evenings, or placed anytime inside the bench by the office door.

Thanks for continuing to be a part of our church and our mission provide outreach and support for our community and beyond.

## AUGUST PUZZLE ANSWERS

# The Fall of Jericho Word Search

Read the story below. Find and circle the words that are **underlined**. The words can appear in any direction: horizontally, vertically, diagonally and even backwards.

## The Fall of Jericho - Joshua 6

The gates of **Jericho** were shut tight and guarded closely because of the **Israelites**. No one went out. No one came in.

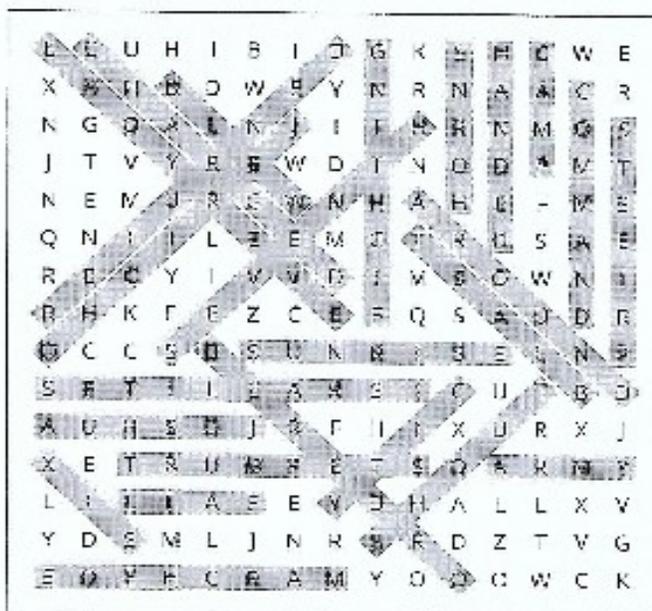

Then the Lord said to **Joshua**. "I have **handed** Jericho over to you. March around the city once with all your **fighting** men. In fact, do it for **six** days. I have seven **priests** get **trumpets** made out of rams' **horns**. They must carry them in front of the ark. On the **seventh** day, march around the **city** seven times. Tell the priests to blow the trumpets as you march. You will hear them blow a long **blast** on the trumpets. When you do, tell the whole **army** to give a loud shout. The wall of the city will **fall** down. Then the whole army will march up to the city. Everyone will go straight in."

So Joshua **ordered** the people. "Move out! March **around** the city." They marched around the city once and **returned** to **camp**. They did this for six days.

On the seventh day, they got up at **sunrise**. They **marched** around the city, just as they had done before. But on that day, they went around it seven times. On the seventh time around, the priests **blew** a long blast on the trumpets. Then Joshua gave a **command** to the army. He said, "Shout! The Lord has given you the city!"

The priests blew the trumpets. As soon as the army heard the sound, they gave a loud shout. Then the wall fell down. **Everyone** **charged** straight in and they took the city.
